## Boat Wash

A hose adaptable nozzle mixes concentrated product with the water coming out of your garden hose. The result? An effective and easy cleaning. Boat wash's product flow control tab lets you switch between a cleaning stream and a power rinse for fast and convenient results.

Stock #: C29210 12 x 1L

## Marine Once Over

Cleans and enhances the luster of leather, vinyl, and rubber to help your boat look its best. This ready-to-use formula removes dirt, dust, pollen, and bugs with a quick spray and wipe. Marine Once Over has a UV protectant that cures with a durable coating to prevent weathering and fading.

Stock #: C30325 12 x 739 ml

## Boat Bottom Cleaner

Cuts through the toughest boat fouling, oil slick, algae, and rust stains above and below the water line. An abrasive free alternative to hydrochloric acid. A unique gel formula that cleans with less fumes and run off. Clings fast to penetrate fiberglass, plastic, metal, and wood hulls.

Stock #: C30832 12 x 946 ml

# SPRAY NINE

### Marine Spray Nine®

Digs out tough soils and stubborn stains, while disinfecting and deodorizing as well, with unrivalled ease (ranked #1 by an independent boater's consumer report) so boater's spend more time on recreation and less time on maintenance. Ideal for boats, RV's, hulls, jet skis, trailers, awnings, & bait buckets. Quickly cleans fish & bait soils, algae, fingerprints, black streaks, and much more.

Stock #: C27032 12 x 946 ml, C27001 6 x 3.78L, C27020 20 L, C27045 208 L

### Marine Grez-Off

Rated #1, twice, as a "Best Performer" in an independent boater's consumer report with top marks for effectiveness, safety, and environmental impact. This biodegradable formula is great on heavy grease, oil, & grime. Non-flammable, non-combustible formula is great for bilges, tools, docks, mooring equipment, asphalt drives, trailers, machinery, outboards, inboards, and more.

Stock #: C30232 12 x 946 ml, C30201 6 x 3.78 L
