

SNOWMOBILE TRAILERS

DURABILITY • QUALITY • STYLE
SATISFACTION

Yacht Club Trailers

Bumps and bounces are great fun...out on the snow. Getting the sleds on and off the trailer, however, should be a smooth experience.

Yacht Club snowmobile trailers are designed and built specifically to make carrying your sleds easy and safe. Choose from single- and multi-sled models, with or without nose-protecting guards.

SM1250

SMA105D

SM105

SMA105S

Trailer bed tilts for easy loading on SM1250, SM105, SMA105D and SMA105S trailer models.

FEATURES:

- Exterior pressure-treated plywood
- Polyester powder paint finish
- DOT-approved lighting
- Welded tubular steel frame
- Sealed, rubber-mounted lights

OPTIONAL ACCESSORIES:

Colored Tie-Down Sleeves

Aluminum Cover to fit all 10' tilt models.

Deck Tilt Spring Kit

Slush Guards (Galvanized shown) also available in Poly.

Other available accessories include Bearing Buddies, Brakes, Jacks, Ski Slide Kit, Spare Tires, Spare Tire Carriers and Torsion Axles.
