

Cole Hersee Co. Product number 24200

Product Family: Solenoids

Part Number: 24200

Description: Latching Solenoid, Continuous Duty

Specifications	
Special Applications	Remotely-operated battery isolator, remote battery disconnect switch
Insulated/Grounded	Insulated
NO/NC	Normally open or normally closed
Min Qty	No
Circuitry	SPST
Contacts	copper
Housing	plated steel
Voltage Rating	12V
Terminals	copper; 10-32 thread and 5/16"-24 thread. Hex nuts and lock washers included
Continuous Rating	110A
Maximum Current, Make	-
Maximum Current, Break	110A
Intermittent Time	Not applicable: continuous
Bracket	Straight
Bracket Mounting	Holes 5/16" x 19/32", 2-13/64" on center
Breather Hole	no
UL Marine & CE ISO 8846 Marine	Not listed
Other Information	Coil circuit energized by momentary switch
