

SaltWater FLASHABOU

Great for large trolling lures and flies. Custom "Wide Cut" FLASHABOU (1/16") is stiffer and wider for increased salt water performance

POLARFLASH

Micro nylon filaments tightly wrap each strand of FLASHABOU - creating a stronger fiber and light diffusion - increasing sparkle and flash. Excellent for wings, tails, ribbing and body material. Available in 16 pre-blended patterns.

FLASHABOU Accent

Each individual strand of FLASHABOU has been twisted to a permanent spiraled strand.

The twist creates optical color illusions and a slightly stiffer fiber.

This unique effect opens many new applications.

WING N' FLASH

Super fine shreds of FLASHABOU in hank form. Create a wing that is super soft, super light with super flash. Fibers are 8 to 10 inches in length. Can also be cut into the perfect dubbing.
