SEAGUAR® FLUORO PREMIER™ &
SEAGUAR® FLUORO PREMIER™ BIG GAME
100% FLUOROCARBON LEADER MATERIAL

All the invisibility. Now up to 20% stronger with the **same diameter**. So you gain strength, without sacrificing presentation. All with exceptional knot strength and extremely low memory. Introducing **Seaguar Fluoro Premier & Seaguar Fluoro Premier Big Game**.

We're taking fluorocarbon to the next level.

"Whether inshore or offshore, I use Seaguar Fluoro Premier fluorocarbon leaders in all my fishing. They're difficult for fish to see and their abrasion resistance and strength are second-to-none."
