NEW SEAGUAR® INVIZX™

100% FLUOROCARBON FISHING LINE

Soft, supple and castable. Superior sensitivity. Now you can fill your spool with a main line like no other. Seaguar® INVIZX™ is specially designed to dominate fresh water. INVIZX™ is virtually invisible, plus delivers advanced hook-setting power, exceptional abrasion resistance and knot strength. They'll never know what hit them.

INVIZX
